

Department of Environmental Protection Temporary Noise Waiver Application

Authority

Chapter 31B, Section 31B.11(a), of the Montgomery County Code allows the Director of the Department of Environmental Protection (DEP) to waive any part of Chapter 31B for a temporary event if the noise the event will create or cause in excess of the limits established under Chapter 31B is offset by the benefits of the event to the public.

Application Process

Review the Code: The applicant should review and understand the requirements of Chapter 31B, Noise Control, of the Montgomery County Code. Chapter 31B can be found at <http://www.montgomerycountymd.gov/dectmpl.asp?url=/Content/dep/community/ordinance.asp>. Questions regarding any provision of the code should be directed to DEP via e-mail at depnoisewaiver@montgomerycountymd.gov.

Timing of Application: In accordance with Section 31B.11(a)(2), DEP is required to provide public notice of any Temporary Noise Waiver request in a manner that could reasonably reach a majority of households that might be affected by the issuance of the waiver. To fulfill this requirement, DEP may publish notices regarding Temporary Noise Waiver requests in a local newspaper. A Temporary Noise Waiver can not be issued until at least 10 days after publication of the notice in the paper. As a result, a Temporary Noise Waiver application that is deemed complete by DEP must be received at least 21 days prior to the date the waiver is needed in order to allow for the public notification process.

Submission of Application: Completed applications can be submitted electronically (preferred) or in hard copy. DEP is not responsible for delays in receipt of hard copy applications submitted via the postal service or other delivery method. Applications can be submitted electronically by clicking on the "Submit by e-mail" button at the end of this application. Hard copies should be sent to:

Attn: Temporary Noise Waiver
Department of Environmental Protection
255 Rockville Pike, Suite 120
Rockville, MD 20850

A non-refundable processing fee must be submitted with the application. See Page 3 for details.

Completing the Application: The applicant must complete all fields in the application. Incomplete applications will be returned, which may delay processing of the application. Particular attention should be given to providing complete and thorough responses to the items related to the justification for requesting a Temporary Noise Waiver. Additional information (site plans, equipment specifications, mitigation plans, etc.) may be attached to the e-mail that transmits the application.
